

Lower Your Energy Costs

AISNE and EarlyBird Power have partnered to save your school money on electricity costs by leveraging our collective buying power.

Inquire by November 30 to start saving this winter.

FREE ENERGY AUDIT

available to all members

- All utility accounts reviewed
- Billing errors identified
- Rate-class issues resolved
- Holistic review of potential areas for savings
- Sales tax collections corrected, and refunds requested

STATE BUYING GROUPS

available in MA, ME, NH, and RI

- Lower rates through group purchasing
- Fixed-rate contracts protect from volatile pricing
- No cost and no commitment to explore potential savings
- Individual contracts; not tied to other schools

TIMELINE: 60 DAYS TO SAVINGS

Note for Vermont Schools: Vermont does not offer third-party electricity supply so participation in the group aggregation is not available. Please inquire about other energy savings opportunities including efficiency upgrades, onsite solar, and EV charging stations.
